He is suffering very much, and will likely be confined to his room for some days. He is eighty-three years old.

BATH COUNTY FISCAL COURT.

Called Town, August 23d, 1898.

It is ordered that all overseers of the public roads of the county, and holders of chains for work done on county roads, shall file the same for inspection with the magistrates of their respective districts.

It is ordered that the Clerk of this Court have published in all newspapers in the county the above order.

A copy. Attest: J. T. PEERS, Clerk. By T. J. PEERS, D. C.

DON'T ESCAPE.—Tuesday evening last week, after the Old People's forms were made up, Henry Gibson, who stole Gaudin Clark's mare and is in jail awaiting a trial for the same, attacked Jesse Jackson, son of the jailer, with a piece of iron wrenched off of the cell work.

Jesse was in the jail doing his customary work. Gibson struck him on the head and knocked him to his knees. As Jesse arose Gibson again struck and knocked him down. Gibson did not get up and Jesse, in a spirit of about 100 yards, knocked him down and pounded him a bit. He then returned him to jail.

ODONTODER.—Frederick N. Y., Aug. 19th, 1898: We, the Odontoder Mfg. Co., of Frederick, N. Y., wish to inform the people of Bath Co., Ky., that Drs. Phillips & Reeves, of Wyoming, are the only dentists in that county who are authorized to use Odontoder, as they have the exclusive control there and we furnish it only to them. We find dentists often claim to have Odontoder when they are using some other preparation as they know Odontoder is well and favorably known. Resp.

ODONTODER MFG. CO.

INCENDIARISM.—Last Friday night some one or more persons set fire to and burned down the toll-house on the Preston & Howard's Mill turnpike. Millard Staten, the gate-keeper, saved only a part of his household goods. Some years ago a stock company undertook to build this road from Preston to Montgomery Co. line, but failed to complete the pike for lack of funds. James A. Anderson in consideration of a 9-years' lease of toll rights contracted to finish the road and did so. After three years he subleased it to Millard Staten for the remaining six years for \$500.

THE SICK.—J. M. Reynolds has had two or three convulsions, but was a little better Tuesday.

John E. Fleming, of Upper Prickly Ash, is slowly improving.

Jo B. Latham, of lower Prickly Ash, is still very sick with fever.

R. S. Estill is still about the same with typhoid fever. His wife is somewhat improved of her condition.

Mrs. Felix Tackett, of Upper Prickly Ash, has a severe case of typhoid fever.

Ben Jones, of Washington Branch, is not so well as he was.

CHURCH SCHISM THREATENED.—Rev. H. C. Morrison, the evangelist of the M. E. Church, South, has withdrawn his membership from that church because since he has embraced the "holiness," or "sanctification" doctrine of a faction he is not allowed the liberty in preaching that he desires. The "holiness" doctrine promises to make a schism in the church. It has become quite an issue in many sections. It is rumored that the question will be brought up in the Flemingsburg Conference with reference to sending a "holiness" minister to this place for the ensuing year. Pastor Bromley is an adherent of the holiness doctrine, but it seems that the far larger part of the membership here rejects it.

TEACHERS' INSTITUTE.—The Bath Co. Teachers' Institute, after a highly successful session, closed Friday afternoon. As an Institute conductor Prof. C. T. Cherry ranks with the ablest, and his wife proved an assistant of high value and an entertainer of rare charm. Mrs. Cherry did not give her entertainment Wednesday night owing to the rain, but postponed it until Friday night, when a large audience attended and was pleased to the limit by her delightful songs, readings and recitations. A portion of the proceeds of ticket sales to her entertainment was donated to the public school library fund.

\$1,200 STOCK AT AUCTION SALE.—We will on Thursday, 8th day of September, 1898, sell our entire stock of goods at Reynoldsville, consisting of dry goods and grocers, boots, shoes, notions, tinware, harness, etc., etc., a fine lot of ladies' and misses' shoes, calicoes, cottons, and in fact, everything kept in a general store. We have determined to quit the mercantile business and everything in the store will be sold. From now until day of sale we will sell for cash at cost prices.

Terms: All sums of five dollars and under, cash; sums over that amount on a credit of 30 days, the purchaser to give a negotiable note payable at the Farmers Bank. This sale will continue from day to day until everything is sold. Everybody especially invited.

J. W. EMMONS, N. K. EDMONDS, M. D. FARR, Auctioneers.

MARIE'S THUNDER.—Marie's Thunder died of typhoid fever at his home, four miles from Paris, last Thursday and was buried Friday at Longview Cemetery, Bethel. Deceased was aged 43 years.

He was a native of this county, a son of Abraham Hendrix, of East Fork of Flat Creek, and a daughter of Moses T. and Frank P. Hendrix.

Mrs. P. M. Vico and Mrs. Jacob Boyd, all of Bethel and Sherruburn neighborhoods. He resided a good portion of his life in the same section of Bath, then removed to Bourbon county. His wife is a daughter of the late Alfred Vanlandingham. She, two sons and two daughters survive. Mr. Hendrix was an enterprising and successful farmer, and stood high as a good and useful citizen.

He leaves a valuable estate to his family. The Obituary extends its sympathy to the bereaved family and relatives.

PARANOID.—Lafayette, Indiana, Aug. 26.—Ex-Governor Claude Matthews, while delivering the principal address at the Old Soldiers' meeting at Shawnee Mound, south of this city, was suddenly stricken with paralysis. Governor Matthews had been speaking about an hour, when he remarked to some one on the platform that he was experiencing an unusual physical sensation, and abruptly finished his address. He then sank into a chair, succeeded in crossing the right leg over the left, and in endeavoring to change his position, slipped and could not lift his right hand. He fell from the chair and became unconscious, being later removed to the residence of Isaac Melchior, where two physicians are in attendance. Dr. Allman, of Wingate, and Dr. Ohm, of Elmhurst. The patient is pronounced to be in a critical condition, is in a deep stupor, unable to speak or move. The cause of the stroke was a ruptured blood vessel in the left side of the brain.

Governor Matthews has of late been residing on his farm in Vermillion county, and has apparently been in good health.

See third page of this issue for account of ex-Gov. Matthews' death.

Claude Matthews was a son of Major Thomas A. Matthews. His mother was Miss Eliza A. Fletcher, a granddaughter of Gen. Thomas J. Fletcher, a soldier of the war of 1812 and a resident of this county near Sharpsburg. Major Matthews was in business at Bethel, where Claude was born. The father afterwards traveled for the Cincinnati firm of Woodside, Green & Labaroe and was a man of marked magnetism and popularity. Claude's mother died while he was small and he came to reside with his uncle James Thomas, of this town. Mr. Thomas married Miss Mary Barnes, who after the decease of Mr. Thomas became the wife of Joseph H. Richard. Mrs. Richard, who still survives, had the care and training of Claude until he became old enough to set out for himself. He received his education in the schools here and always regarded Mrs. Richard as a second mother, and his family making her visits from time to time. He left here shortly after the Civil War and located in Indiana. On Jan. 7th, 1868, he married Miss Martha R. Whitcomb, daughter of ex-Gov. James Whitcomb, of that State, also U. S. Senator. Gov. Matthews followed farming, owning a large estate. He was a Democrat and was elected as Democratic nominee to the important office he held. In 1896 he was pushed by Indiana for the Presidential nomination at Chicago. He warmly advocated Bryan and free silver on the stump in the memorable campaign. Personally he was highly regarded by the friends of his youth in his native county, and they took a pride in his eminent career. To Mrs. Richard no doubt the death comes as a personal bereavement as great as the loss of a son.

FROM THE WEST.—Drexel, Cass Co., Mo., August 27th.—Mr. Editor: I have many dear friends and relations that are readers of your paper. I thought perhaps they would like to hear from us out here in the West.

Anna, daughter of Lou Ann F. Bailey, she married William L. Corbin. She is a widow and lives in Marion, Mo. He died Jan. 29, 1898. Ma of the Corbins, the dear ones, there, my name was Lucy J. Corbin, now Barnes. I was mostly raised in old Bath near White Oak Church. How pleasant are the thoughts of that little white church among the trees, where uncles, aunts and cousins used to assemble. Some of the dear ones have gone home, but that is not life. It is the desire of my heart to visit again the home of my childhood, but other things take up my time.

Now, for I can't get any more stamps at present. We are just one hundred and sixty-two miles from New York city, on a very nice island, but it rains every day. There is every device that can be named—mostly chills. It rains hard for an hour and then the sun comes out for a while.

Well, I will write more some other time. Give grandma and grandpa and all of my relations my love. Tell Walter May howdy, and Earl, James and Mattie, and kiss little Elizabeth for me. Save a large portion for yourself. Yes, tell Uncle Newt howdy for me; Uncle Sam and Aunt Mollie's people howdy.

I have forty-one men working under me, and it is a hard job to keep them a-working, for they are about worn out.

Good bye, with a kiss. From your devoted son, CLAY H. REYNOLDS, C. R. 1st Batt., 24 Reg. P. S. V. E.

DEWEY AND THE QUID.—Admiral Dewey is at times a humorist as well as a fighter and diplomat. It is related of him by the Indianapolis Sentinel that, once in a foreign port, he ordered the heaviest hoisting tackle in the hold to be got out of the hold without delay. Nobody knew what it was for, as there was nothing just at that time, either heavy or light, to be taken on board or ashore. After two hours' hard work the tackle was in place, and Dewey then ordered a large chew of tobacco which had been thrown under one of the guns be hoisted overboard and cast into the sea. The crew saw the force of the argument, and thereafter quills went overboard.

## War Matters.

Cubans waiting for food will be fed by the U. S. Government. The Consul was to leave Tampa for Havana this week with 1,000,000 rations. Every precaution will be taken to see that the needs of the army are supplied by reliable agents.

The Cuban appeal to be waiting an opportunity to work with vengeance on those Spaniards in Cuba who have mistreated them. A state of terror will be inaugurated if the insurgents come into control there. Business at a standstill there owing to the uncertainty of the future control.

The first of the Spanish soldiers from Santiago reached Havana, Spain, Aug. 24th, on the Albatross. Miss Helen Gould, of New York, gave \$100,000 to the Government's war fund at the outbreak of hostilities. She now gives \$25,000 to purchase delicacies for the sick at Montauk Camp.

The Philippine insurgents agreed to disband if the United States will assure them that Spain will not return to power in the islands, otherwise they dare not. They seem to have realized of late that the best thing they can do is to submit to American control.

Admiral Schley has recovered from his illness and is prepared to serve on the Porto Rico evacuation commission.

The U. S. members of the Peace Commission decided on by the President are: Wm. R. Day, of Ohio; Secretary of State; Cushman K. Davis, of Minnesota; U. S. Senator; W. P. Frye, of Maine; U. S. Senator; E. B. White, of Louisiana, Associate Justice of the U. S. Supreme Court; Whitelaw Reid, of New York, editor of the Tribune; Judge White is the only Democrat. He is a Catholic.

Gen. Shafter and the balance of his army left Santiago for Montauk Point camp last week.

Aguinado, the Philippine insurgent chief, has dismounted from his lofty eagle. He says he is anxious to support U. S. authority and that he has persuaded the other leaders to do the same; that he has no army, but only a rabble, and he desires its disarmament; that he trusts the United States will form a free and liberal government.

Gen. Shafter, in an interview, says he regards the Santiago campaign as a successful one in the highest degree; that the success of it disarms criticisms of military strategy displayed or not employed; that he parleyed in order to take the city without an assault, which, though it would have succeeded, would have cost the lives of 3,000 U. S. troops; that the campaign proves the great superiority of regulars over the volunteers, who lacked the union, cohesion and individual support of the trained troops, though no disparagement should be made of the volunteers, who made up their defects by enthusiasm and patriotic spirit. He thinks the solution of the Cuban problem lies in annexation, all men having property interests desiring it.

The U. S. members of the Spanish-American Peace Commission, it is rumored, will contend for the cession of the island of Luzon, which contains the city of Manila. Report from Spain says the Spaniards are objecting strenuously to the cession and will make the Commission's work of final peace difficult if not impossible. The Administration's objections to securing the whole Philippine Islands are that it would require the maintenance of a standing army of 30,000 to 50,000 men.

The two troops of Ky. volunteer cavalry are among those ordered to be mustered out.

Volunteer officers of a regiment receive from \$3,500 a year pay for a Colonel down to \$1,500 for a Lieutenant. Hence, while the officers in many instances are eager to remain in the service a large majority of the men, who only get \$180 per year, are desirous of returning to private life, where most of them sacrificed salaries worth much more to them than their soldier's pay.

The Spanish Cortes, or Parliament, is called to meet Sept. 5th. It may exercise a strong influence on the actions of the Spanish members of the Peace Commission in denying concessions.

Of the 15,000 troops in Porto Rico 5,000 will return to the United States. The first Kentucky will remain there, having been transferred to Gen. Ernst's division, and under another brigade commander instead of Gen. Fred Grant.

The war cost Spain nearly \$39,000,000 in money between Jan. 1st and June 30th.

Uncle Sam is sending 10,000 tons of provisions to the Cubans. It is reported that assurances have been given from Washington that the present Cuban insurgent administration will be recognized if it can give the support of the people of Cuba and will establish a stable government.

There are reported to be 10,000 negro and Cuban soldiers in the army central.

The portion of Cuba held by the United States is a military district in an area of 10,000 square miles and contains 1,000,000 people.

Admiral Dewey was ordered to be ready for a call to Washington for consultation in regard to the proper policy in the Philippine matters. He replied that he was ready to do and explain his views. He wants a battleship and an armed cruiser added to his squadron.
